EXPERT SERVICE DELIVERY

Professional Sports is multibillion dollar global industry. With such vast amounts of money involved, key stakeholders including Clubs, Federations and sports professionals themselves need to ensure they are adequately insured to protect their investments and current/future earnings.

With over 100 years of experience amongst its six-strong team in the Sports insurance market, Price Forbes has a proven track record of understanding Sports specific exposures and designing bespoke solutions to effectively mitigate such risk exposures and ultimately protect the clients' bottom line. You, as a valued client, can trust us to deliver the solution that mitigates your risk in a comprehensive and cost-effective manner.
