HEALTHCARE

Utilising our knowledge, capabilities and expertise we can offer our healthcare clients a comprehensive solution to help protect them from their day-to-day risk and exposures.

Our products are split into three main sectors:

1. Medical malpractice
2. Life science – Product, general liability and professional indemnity for pharmaceutical companies/medical devices companies/other life science related activities
3. Clinical trials – Global solutions

Some examples of the areas we work with are:

Medical malpractice

- Public hospitals
- Private hospitals
- Hospital groups (chain of hospitals)
- Diagnostic and treatment clinics
- Dental practices
- Cosmetic surgery clinics
- Individual doctors/physicians schemes
- Medical associations
- Long term care/nursing homes
- Allied health/miscellaneous medical professional
- Any other medical related service provider

Life science

- Pharmaceutical manufacturers and distributors
- Nutraceutical
- Biotechnology
- Medical device – Invasive and non-invasive (including implants)
- Contract manufacturing
- Clinical research organisations
- Complementary medicines

- Pharmacies

Clinical trials

Clinical trials are a critical phase in the validation of the effectiveness and safety of drugs or medical devices. Because the regulatory environment governing clinical trials varies from country to country, it is very important that the right insurance is selected. We can provide global clinical trials solutions utilising our own in-house binding authorities and suite of local wordings. We have vast experience in this sector and you can be assured we will provide the right advice for clients.
